## Welcome Back!

Dear Colleagues

It is my honor to serve as SDA's President for the next two years. I hope you will feel free to reach out to me during this time with any of your thoughts about the SDA. This next year, I hope to work closely with SDA's Board of Directors and staff to continue to develop and provide quality drama activities for communities across Saskatchewan.

Welcome to prospective members and current members. Please explore our website and watch our Facebook page for upcoming events and important information. SDA continues to provide information via email as well. Please note: SDA no longer has a fax number.

This year is a very challenging time for all. As a long standing Provincial Cultural Organization, SDA will continue to provide access to our unique programs and services. We are diligently working toward providing those programs and services in new and exciting ways. As well, SDA hopes this year we can provide further opportunities to our members.

The SDA Board of Directors will be meeting at the end of the September. After this meeting, we hope to provide more information regarding SDA's upcoming programming year.

I look forward to leading us in this exciting, challenging time and ask you to come along with me to make Saskatchewan Drama Association continue to be an outstanding leader in the cultural community.

Jeannine LeSann  
President
