The SDA Board of Directors is very pleased to announce that we are partnering with DramaFest!

DramaFest is a Canada wide on-line platform developed by the National Theatre School. SDA is their representative in Saskatchewan. Erika Kierulf, Artistic Producer-Arts Engagement, National Theatre, has provided information on this exciting new program.

There is no fee this year and it offers the ability to share and participate with others across Canada. This new program will augment our already suite of drama programs. You will find more information attached.

The Goals of DramaFest are:

- Promote sharing of between participating schools while safeguarding the privacy of participants;
- Create a positive experience for teachers, students, and their audience;
- Build inclusivity and accessibility;
- Offer a robust learning experience.

This is a closed community site for teachers, students, schools, parents, adjudicators, and the NTS DramaFest team. While many of you may not be able to participate fully through this site this year, you can still register and take advantage of some of what they are offering. It is for use in your curriculum and extra-curricular activities.

Invitations to register will be sent directly to your school if you have participated in a Regional Festival in the last five years. Check with your Principal or School Office for that information. If you would like to receive a direct invitation to your email, send SDA an email (dramainfo@sasktel.net) and we will make the appropriate arrangements.

For more information, call the office 306-525-0151 or send an email to dramainfo@sasktel.net.
