

Welcome to the Saskatchewan Drama Association!

On behalf of all board members at the Saskatchewan Drama Association (SDA), I am delighted to welcome you to our vibrant and talented community dedicated to fostering drama and theatre in Saskatchewan.

At the SDA, we strongly believe in the transformative power of the performing arts and their significant impact on individuals' personal and artistic development. With your passion and skills, we are confident you will contribute immensely to our mission of promoting and celebrating drama education across the province.

As a member of our association, you will find a supportive and collaborative environment that encourages creativity, growth, and innovation. Our goal is to provide you with support with access to a wide range of resources, including educational materials, plays, and workshops.

In addition, we organize festivals in the spring throughout the province culminating in a provincial festival. These opportunities allow your students to showcase their talent, connect with peers, and receive recognition for their achievements.

Our outstanding executive director and staff are easily accessible to support you in many ways. If you have any questions or concerns, please do not hesitate to contact us. We believe that your membership in the SDA will be enriching and rewarding.
