Rehearsal Schedule – 2023 (Sept 2023)

Griffin Drama presents: *Freaky Friday*

"Rehearsal is not where you learn your own lines, but the lines of every other character!"

1. Rehearsal dates have been determined long in advance. If you are aware of any personal conflicts with an upcoming rehearsal, please let the staff responsible for your rehearsal know so that other arrangements can be made. Rehearsals will finish on time. Please show this schedule to your families so they don't book any trips, appointments, surgeries, etc. during important rehearsals (ones that you are in) or Show Week!

2. Choreography days have been set in advance. A choreographer has been hired to create and teach the choreography to each song. If you are unavailable for the choreography day, you will not be in that song. It is too much to ask the choreographer or dance captain to reteach the material (one song takes $\sim 1 \frac{1}{2}$ hours of work to create and learn as a group). It is also unsafe to put you in without the proper training. If you are a named character in that song, you <u>need</u> to be at that choreography rehearsal – it is not an option!

3. Ms. Redding is only available to teach music on certain days. You <u>must</u> attend the singing rehearsal to learn the music to be part of that song. Music is what makes this a musical, so your attendance is required!

4. <u>Do not</u> make your parents wait for you! Please, if you are arranging for a ride home, recognize that a staff person must stay with you in the school. Please be courteous of the time of these volunteers (who have other commitments including children of their own).

5. Please have your parents fill out the PVSD Media Release form for your P1/TAG teacher. This is helpful when we advertise the show (Greenall Insta, Snaps, FB, Access, Global, CTV special, etc.)

6. If you are scheduled for a rehearsal, please show up ON TIME and READY to rehearse! Please do not attend rehearsals you are not scheduled for as it can distract the actors. **Cell phones are not permitted in rehearsals**!

7. Always bring your script and a pencil to rehearsal so that you can mark your own blocking.

8. Listen for announcements re: any changes to rehearsal times.

9. You are expected to be off book by Friday, Nov. 10th!

10. This year's REMIND code: Text: @ to: 902-800-4082

- -If you haven't already, please join Griffin Drama Google Classroom:
- -This is how you get up-to-date info re: rehearsals, schedule changes, etc. It's very important to do this!!! -This is <u>not</u> necessarily an app – it is just a way to communicate rehearsals and updates, etc.
