

## **GHS Sister Act Strike Teams**

*Striking a show means to take down the set. It requires a lot of work. To help you, we have assigned you to a "strike team". Please report to your adult leader after you have changed out of your costume. Many hands makes light work!*

### **Adult Leader Procedures:**

- Each adult oversees a station
- Each station has a check list (adult leader, please make a checklist of tasks needing to be complete, borrow a clipboard from Mrs. Wiens and check tasks off as they are completed)
- The adult supervises each set of students so that they get their list done
- Once list is done, that team is complete and can wait in the library for the rest of the group
- Costumes must come off first and be returned to Mrs. Johnson's Team in the Board Room by Mrs. Werner's class
- We need **4-6 strong parents** to help Mr. Kossmann dismantle the flats right after the show. Please let Mr. Kossmann know before Nov. 30 if your parent can help on Saturday right after the show.
- On **Monday, Dec. 5** – we will help SLC roll up mats and put chairs away. They planned a Monday Pep rally so that we could leave the mats and chairs out. ☐ ☐

**\*\* Every team is to clear out of the gym and complete the rest of the tasks in a different location \*\***

**\*\* When the tech gear is put away, ALL students and staff will be called back to the gym to help take down the stage extension. \*\***

Staff leaders – please make checklists for a student leader to check off as you go. You know exactly what tasks; pieces & duties work best for your area. General tasks are listed to give students an idea of responsibilities.
