**Greenall High School  
Balgonie**

Hosting a Saskatchewan Drama Association Regional Festival requires significant work from the administration, staff, and students at the hosting schools. The SDA could not provide Festivals across the province involving over 5,000 students each year without the host school's help. The SDA Board of Directors thanks the community of Balgonie for providing all Festival Region 5 participants with such a warm welcome.

**A special thank you to  
Jill Wiens and  
Adina Wiebe,  
Festival Host Coordinators  
and Makena Bailey,  
Stage Coordinator.**

Note: All subject matter in the plays presented at this festival has the approval of the principal of the school presenting the play.

Working with teachers in theatre, whether theatre professionals or those brand new to the genre, is a passion in helping to create safe spaces for young people to love and learn in the Performing Arts.

Theatre is rich in the history of Carrie's family, including her Great Grandmother, Grandmother, Mother, and now, shining in the eyes of the next generation. Carrie is honoured to have the love and support of her partner, Jared, their child, Cooper and her tightly knit family and friends.

## **Susan Holmes**

### **Backstage Adjudicator**

Susan Holmes is a retired middle-year teacher and teacher-librarian. Her interest in the theatre stems from directing, stage-managing, and producing school productions while making costumes and props and running tech at the same time. Although she dabbled in acting and directing amateur theatre, she found her special place in helping to bring a show to life from behind the scenes as a crew member, props master, or stage manager. She has stage managed for many groups in and around Regina, including Regina Summer Stage and Regina Little Theatre. Susan is excited to connect her two passions by working with the Saskatchewan Drama Association as it presents the Region 5 Drama Festival!
