**THANK

**Principal, staff,
volunteers, and
students**

**Winston Knoll

Hosting a Saskatchewan Drama Association Regional Festival requires significant work from the administration, staff, and students at the hosting schools. The SDA could not provide Festivals across the province involving over 5,000 students each year without the host school's help. The SDA Board of Directors thanks the community of Regna for providing all Festival Region 9 participants with such a warm welcome.

**A special thank you to
Allene Bautista Chernick
Festival Host Coordinator
and Corey McCowan,
Stage Coordinator.**

Note: All subject matter in the plays presented at this festival has the approval of the principal of the school presenting the play.

Janice Lamb

Front of House Adjudicator

Janice Lamb's father fed her a strict diet of theatre as a child, and she remains involved with it to this day. She enjoys the sense of community and connectedness that only this art form can bring to a cast and crew. She has been involved with the Saskatchewan Drama Association as an observer, participant, director, or adjudicator for the last thirty-five years. She teaches at Riverview Collegiate in Moose Jaw, directing one-act plays and leading the D&D club. She met her husband while directing and performing as Hodel in *Fiddler on the Roof*, which her family performed for her parents' twenty-fifth wedding anniversary. Her favourite role was that of Sally Brown in the musical, *You're a Good Man, Charlie Brown*. Janice is excited to be adjudicating at the Regina festival this year!

Nick Lamb

Backstage Adjudicator

Nick Lamb is a seasoned professional in the entertainment industry. With a diverse background as a lighting technician and sound person on tour, as well as a camera assistant on movies, TV shows, and commercials, Nick brings a wealth of experience to the role of backstage adjudicator. With a keen eye for detail and a passion for the technical aspects of live events, he has honed his skills as a camera operator and director, capturing the excitement of over 500 live events, including hockey games, rodeos, concerts, theatre, and his role as “Leroy Behind The Camera” with the comedy duo Leroy and Leroy. Above all, he was part of the crew that won Best Technical Production for his high school in 1998. Nick is thrilled to be adjudicating in Region 9 this year and is currently working as a real estate agent with RE/MAX of Moose Jaw.
